Our charity has existed for 15 years. We provide free and meaningful support to children, adults and older people whose lives are affected by caring for a family member or someone in the community who has a learning or physical disability, mental health needs, long term to terminal illness or addiction.

We aim to deliver quality support that responds to the needs of carers of all ages and backgrounds in Solihull. We respect carers as equal partners and work together with other organisations to maximise support to enable carers to remain emotionally and physically well and have equal access to fulfilled lives.

We ensure carers voices are heard as we work together to influence lasting change.

Introduction

Firstly, **Thank you** for raising funds for Carers Trust Solihull. Your support really will make a difference. This pack is full of tips to help you raise funds to support our work. There are 24,113 carers in Solihull, set to increase by 17% by 2019. Although we are already reaching and supporting many carers in Solihull we know that we could go further to identify and reach many more.

How your support can make a difference

Caring can be deeply rewarding but can also consume a lot of time and physical and emotional energy. Your support can enable Carers Trust Solihull to aim to reach and improve the lives of every carer aged 5 years old to carers aged 95+. It will help our work varying from information, advice and support to preventing crisis and keeping families together. We support:

Young carers to have fun, positive childhoods, make memories and do well at school

Young adult carers to access work or further education and plan for their future

Adult & older carers to maintain a quality of life and access meaningful support when they need it

If you want to **raise funds for a particular group of carers** listed above please tell us when you make your donation.

Email or Facebook message a direct link to your page to all your friends, family and colleagues.

Sponsorship Opportunities

As well as encouraging your staff to attend some of our fundraising events, you can help support them. Your support will show your company's commitment to supporting local causes in Solihull, whilst exposing your company name to varying size audiences – up to 300.

Raffle and Auction Prizes

We're looking for good quality raffle prizes. If you have an item or voucher, let us know and we will list your company in the event programme

Refreshments

Sponsor drinks or refreshments at events

Newsletter / event or brochure printing

Your logo will be printed in the above - a unique opportunity for company exposure.

Entertainment

Staff may have a band or comedian that can add some sparkle to our events.

Match Funding

Match giving or match funding is a simple way of maximising the fundraising efforts of your employees. It is an arrangement between you and your employee. You can pledge a sum of money relating to the amount he/she has raised or donated to the charity of their choice. Some organisations will match fund on a £ for £ basis, others will stipulate what they are prepared to give.

Payroll Giving

Payroll Giving is a flexible scheme which allows anyone who pays UK income tax to give regularly and on a **tax free basis** to the charities and good causes of their choice.

Payroll Giving donations are deducted before tax so each £1 you give will only cost you 80p, and if you're a higher rate tax payer it will only cost you 60p.

Payroll Giving (also known as Give As You Earn or workplace giving) is a great way to support Carers Trust Solihull and as the money is taken before you receive your salary. Employees can choose to support any charity of their choice with a regular donation direct from their pay. Visit www.gov.uk/payroll-giving

Pennies from Heaven

If your company has more than 700 employees, you can sign up for 'Pennies from Heaven'.

Individual employees decide which charity they would like to support, and once the scheme is set up, when they receive their salary, it is **rounded down to the nearest pound** with the pennies donated to charity. So, if net pay (i.e. after tax, National Insurance etc has been deducted) was **£850.34** then **34p would be donated**. The most you can ever give is 99p every time you are paid. SIMPLE! AND what's more the taxman will add 25% at no cost to the donor or employer.

Visit www.penniesfromheaven.co.uk

Donate a prize

Most fundraising events that we organise involve a raffle and **we are always looking for appealing and good quality prizes.**

If your company makes items, or you are a hotel, café, gym or pub - you could donate vouchers. In return, we'll try to promote your company donation as much as is practically possible.

Many of us receive birthday or Christmas presents that we ultimately can't or don't want to use, such as bottles of alcohol, chocolates, toiletry sets and perfumes/after shave. Again, these can make great raffle prize, if you'd like to find a home for them.

Donate a place on your training courses

Our staff are committed to personal development but as a charity, our spending budgets are inevitably low and we have to prioritise our training requirements quite strictly. If you have a spare place on one of your own training courses that you are willing to 'donate' to us, please let us know.
