What's your legacy?

Leaving a gift in your Will

to support our work with carers of all ages in Solihull

*Every day
I'm a carer*

Thank you for considering leaving a gift in your will to us

We support family carers aged 5 to 95+ in Solihull. As a charity we rely on funds to support our work.

Caring for a loved one can happen to anyone at any time of their lives, including children. The number of people caring is growing every day and we want to reach and improve the lives of every carer of any age and background.

Caring can be deeply rewarding but can also consume a lot of time and physical and emotional energy. We provide support from information, advice and respite to managing crisis and keeping families together.

How do I leave a gift in my will to Carers Trust Solihull

Leaving a gift in your Will could not be simpler. If you haven't yet made a Will, then a solicitor can help you with this. If you already have a Will your solicitor can make an amendment to include a gift to us.

1

List what you own

List and think about the value of everything you own (your estate and assets).

2

Decide where you want your gift to go

For many people loved ones will come first, but we also hope you'll consider leaving a gift to Carers Trust Solihull. Decide who will be responsible for ensuring your wishes are fulfilled - called an 'executor' and can be a family member or friend.

3

Decide who will write your Will

We would recommend using a solicitor to ensure all legal formalities, including how it is written and witnessed, are done in a valid way.

Lastly, please share your intentions with us by contacting us, details on reverse. We would like to be able to thank you properly.
