

CARERS TALK

APRIL - SEPTEMBER 2024

Welcome to the Spring/Summer Edition of our Newsletter

With brighter days now ahead, we're excited to share with you what we've been up to over the past six months and what's in store for this spring and summer. Following the great success of our Carer Friendly Awards and Charity Ball in 2022, we're delighted to announce that we'll be hosting these events again during Carers Week 2024.

Additionally, we have a packed programme of activities and training sessions for you to access, including our annual beach trip, monthly carers meet-ups, and a variety of free training sessions designed to assist you in your caring role. If you're not already following

us on social media, why not join us @solihullcarers for the latest news and information?

Excellence Award

We are delighted to let you know that we have been awarded **Solihull Chamber's Award for Excellence in the Third Sector**. We are incredibly proud of this acknowledgement of the work we do. As an organisation we are passionate about supporting unpaid carers and providing them with a quality service.

Thank you!

We're honoured to be one of Sydney Mitchell Solicitors' charities of the year, alongside Parenting Mental Health. In February, we received a generous £4,000 donation to support the work we do. We are incredibly grateful for their support and this donation will go directly to supporting unpaid carers in Solihull.

News

We are delighted to introduce you to two new members of the adult team. Amanda Wilkinson joins us as our new Events and Activities Coordinator, who will be organising all future social activities for adult carers. Karan Coffey joins as our new Duty Worker, who will be one of the first responders to carers reaching out to our service. They are both looking forward to working with our registered carers.

This year's Carers Week is scheduled for 10th–16th June, during which we'll be hosting a variety of activities tailored for carers throughout the week. Ensure you're signed up for our monthly E-Newsletter to receive the latest updates.

We're incredibly grateful for the support we've received from businesses this year. A special thank you to UB Healthcare for selecting us as their Charity of the Year and for their recent support during our Carers Rights Day event, as well as our 2023 "Light Up a Carers Christmas Campaign". We look forward to our partnership in the coming year and exploring ways to enhance the lives of carers in Solihull.

Health Engagement Update

Pharmacies serve as crucial hubs for carers who frequently visit to collect prescriptions. Our Health Engagement Worker has been collaborating with pharmacies across Solihull to enhance awareness and support for carers.

Each pharmacy is equipped with a comprehensive pack containing informative leaflets for carers, posters for display in pharmacy Healthy Living Zones, and Carers Trust Solihull promotional stickers for prescription bags.

We're so pleased that our visits to pharmacies in Solihull thus far, have been met with such enthusiasm. We continue to connect with the remaining pharmacy teams. Special thanks to the LPC (Local Pharmacy Consortium) for their invaluable support in this initiative.

Carer Friendly Awards 2024

To celebrate Carers Week 2024 we are asking carers, employers and services within our communities to either nominate themselves or others for one of our 'Carer Friendly Awards'. Our awards recognise carers and those who support them, who go above and beyond to highlight and recognise the incredible contribution carers make in our community.

Our categories are:

- Adult Carer of the year
- Young Carer/Young adult carer of the year
- Educational Setting of the year
- Healthcare of the year
- Volunteer of the year

If you would like to find out more or to nominate a carer or a service or organisation that you feel makes a difference to carers head to our website or call us.

Carers Talk Podcast

Did you know we have a podcast? Podcasts offer audio episodes that you can listen to at your convenience. We engage with professionals on a variety of topics affecting carers. Currently, our episodes cover subjects such as wills and power of attorney, energy Advice, and personal stories shared by carers. You can tune in to hear us discussing these topics on all major streaming platforms, as well as on our website and YouTube channel.
